The Fall of Jerusalem

Daniel 1:7

Daniel is a book of prophecy. Daniel is to the Old Testament what Revelation is to the New Testament. This book is divided into two distinct parts. Chapters 1-6 deal with the man. Chapters 7-12 deal with the message. If I were to summarize the book, it would show us three things.

The Book of Daniel shows us:

1. What it means to _____ for God in an ungodly world.
2. God's tremendous _____ for His people.
3. How the _____ is going to end.
